Hello Nancy,

The document you attached to the email earlier seems to be a collection of more than one document.

Did you intend this? See the attached PDF and let me know.

thanks

Peter:

We need assistance responding to certain issues raised by the public. I have attached comments from Sierra that deals with the impacts of pipes on hydrogeology, suspended solids, road collapse etc.....

Are you familiar with such claims? Do you have anything we can use in response? We cant think of any state stds that apply here...

Thanks.

Nancy
