Nancy:

We are working on pulling together the data and will supply it to you early next week. Does this meet your timing needs?

Subject: issues raised

Peter:

We need assistance responding to certain issues raised by the public. I have attached comments from Sierra that deals with the impacts of pipes on hydrogeology, suspended solids, road collapse etc.....

Are you familiar with such claims? Do you have anything we can use in response? We cant think of any state stds that apply here...

Thanks.

Nancy
