Hammonton Water Supply
Every Drop Counts!

Safe and sufficient water supply is essential to Hammonton’s residents, and protective steps are necessary for Hammonton’s businesses, farms and natural ecosystems to thrive.

Learn the facts about Hammonton’s water supply, and easy, everyday actions you can take to be part of the solution by reducing your indoor and outdoor water use. Explore the initiation of Hammonton’s Credit/Rebate Water Conservation Program, how the program works and how this program and native plant landscaping can save you money.

Program

Program Registration and light supper will begin at 5:30, program will begin at 6pm.

Introductions - Cheryl Reardon, Bayshore Project Director, ANJEC

Water Supply Overview - Rich Bizub, Director for Water Programs, Pinelands Preservation Alliance

Initiation of Credit/Rebate Program & water conservation elements of Sustainable Jersey’s certification program - Donna Drewes, Co-Director, The Sustainability Institute, The College of New Jersey

How the Credit/Rebate Program works - Dan Bachalis, Former Hammonton Committee Member, Retired Acting Director of the Office of Housing, Policy, Planning, and Evaluation with the NJ Department of Human Services.

ANJEC’s Mission

The mission of the Association of New Jersey Environmental Commissions is to achieve responsible and sustainable use of New Jersey's natural resources and protection of environmental health. We are a statewide organization that provides leadership, education and support for environmental commissions and other local boards and public officials, and partners with other organizations to advocate for strong state and regional environmental policy.
