## Judge: Richard Lewis, Photographer and Educator

While I love to photograph the American landscape, no place is more special to me than the New Jersey Pinelands. The unique beauty hidden in these pine trees and tea colored water is a treasure and a landscape that I especially love to explore, photograph and share.

## Fine Print

Each photographer can submit a maximum of 6 images.

All photographs must be made within the New Jersey Pinelands National Preserve (see map). All wildlife, flora and fauna must be photographed in their natural environment.

The PPA reserves the right to disqualify any image that doesn't meet the contest rules or where the subject matter was not created within the Pinelands. In addition, due to New Jersey regulations on public land, drone photography is not permitted.

All photographers retain all copyrights to their images. The Pinelands Preservation Alliance reserves the rights to use all submitted images for the purpose of promoting the exhibition and/or photographer and for the promotion of the Pinelands Preservation Alliance's mission in print and online without financial compensation. Where possible the photographer will be credited.

By entering this competition, the entrant agrees to hold harmless the PPA, all agents, officers and volunteers from any claims of damage or loss that might occur to the art submitted for this exhibition.
